olume, bound in cloth and half mercece, now read; -Three dollars a year, or, t senty five cents a num DIX & EDWARDS.

THE NEW YORK WREKLY CRITIC.—THE FIRST namber of this paper will be for an on Esturday mora-ing, June 2, in every newsroom in the city. Also at the bookstores of Stringer & Townsend, Lewitt & Davenport, ores of Stringer & Townsend, Lowitt & Darenport, T. Crowcu. Critic will be what its name indicates, a paper that arlessly discuss political and social questions of generical importance. No man, profession, or subject, considered by the writers for the Critic, too sacred holesome ventilation. However, the public will be form too contents or the first two or three numbers, com the permisses of its proprietors in an advertise from the contents or the first two or three numbers, com the peamisses of its proprietors in an advertise-but it is thought necessary to mention the above feather paper, for the reason that the impression provalists extend among literary men, that the Critic is to mention of the Opster House school, and devoted nearly voly to the fine Arts, which is not the case, as politic, and "shame" generally, will discover quite soon to be agreeable to them.

HARPER'S NEW MONTHLY MAGAZINE FOR JUNE.
The present number commences the sixth year and the
eleventh volume of "Harper's New Monthly Magazine," and
the publishers embrace this opportunity to renes their cordual acknowledgments to the press and the public for the
unform approbation and ecouragement which have been
accorded to their enterprise. As no former period has their
inst of subscribers been an large as it now is.

The Magazine will continue to the press and the
general plan which has rankinners to furnish, in the most
if with the third the standard of the continuers of press
elegand from the entire field of American and foreign literature. The contents of the Magazine will be made up with
direct reference to the wants and tastes of the great body of
the American people, rather than to those of any partuolar
class or profession. No offort will be spared to combine encertaingment with instruction. The success which has herrefore attended the efforts to carry out this plan, is the best
meantive to, and quarantee of, its further continuance.

As no time since the commencement of the Magazine have
so tample means for remiering it attractive been at the dispost of the publishers.

so imple means for reniering it attractive been at the dis-pean of the publishers. We have now availing insertion contributions from the lest writers and most eminent artists in the country. The editorial department will con-tinue to present its accustomed variety, embracing every topic, from the gravest ethical discussion to the most piquant details of gossip and anecdote. The publishers feel warranted in assuring their friends and subscribers that the forthcoming numbers will exceed in heauty and in-terest say heretofore issued.

TO JURNALISTS.—THE PROPRIETOR OF A DAILY
paper published in a Western city, wishes to engage
the services of a competent New York correspondent. The
letters must not be of a partition character, but must criticise beidly and featlessly the mea and measures of the day.
No mincing will be required no matter whom the mas or
what tie subject under discussion. Occasionally, a reasting sort of letter would be acceptable; and generally a letter
of a critical and carnest character would be preferred. The
compensation will be Two Bollars per letter, parable week
ly in New York, by Dewitt & Dawenport, with whom a sample may be left for the advertiser, who, if he accepts it,
will pay for it as the advertiser will be pushed for time
during his stay in the city, he must decline an interview
with any one who shall not first send him a sample letter,
by which he may judge of the writer's qualifications. M.
S.—The advertiser, should he find a correspondent to his
liking, would take four letters per week.
